InterCall Reservationless-Plus Integration Set up

www.intercalleurope.com

InterCall and Adobe® have joined forces to provide you the ability to captivate your audience with interactive web meetings that are like nothing they've ever experienced before. Our strategic partnership combines our Reservationless-Plus audio conferencing service with Adobe's cutting edge online conferencing and collaboration solution, Adobe Connect.

Below you will find instructions for Meeting Hosts to configure their Adobe Connect meeting rooms with InterCall Reservationless-Plus audio integration.

Audio Configuration for Meeting Organisers

To begin audio configuration, go to the Adobe home page and follow the steps below.

Meeting hosts, limited administrators, and administrators can create audio profiles.
